BOND COLLECTION

Bond Collection is mr Harlan’s selection of Napa Valley “Grand Crus”. Following lengthy selection of some of the finest and most sought after Vineyard sites in Napa Valley, Bill Harlan founded 5 small hillside Vineyards, ranging 7-10 acres in size, capable of producing some of the worlds most iconic wines.

BOND

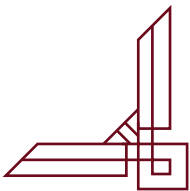

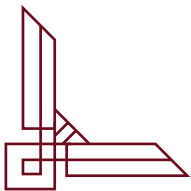

A prrotfolio of wines from Napa, California, that is diverse in gergraphic representation and is Grand Cru in quality. Bill Harlan has created five “Grand Cru” vineyards to explore, representing the best of what the vines and terroir have to offer. They are listed from the most Northern and highest clevation to the more Southern vineyards.

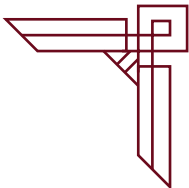

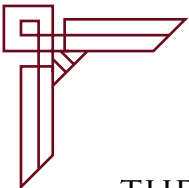

QUELLA

The name is derived from the German word for pristine source or and artesian aquifer. This properly is steeply sloped facing southwest. The site is an ancient riverbed composed of cobble and rocks interwoven with pockets of tufa (volcanic ash) that were uplifted during the last volcanic activity in the area. Quella displays an almost ethereal quality of blue fruits, graphite, and a vibrant, subtle finish.

ST. EDEN

Eden is historical reference to this region’s designation on nineteenth century maps, The red rocky soil of this north facing site originates from high in the Vace Mountains. It shows great focus, an opulent “sweet” center and notes of creme de cassis, dark chocolate, and rosted herbs. Mineral-tinged and broad on the palate, it finishes with fine-grained tannins and a lush concentration.

THE WINE ASVOCATE

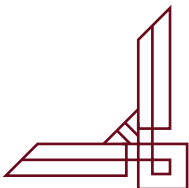

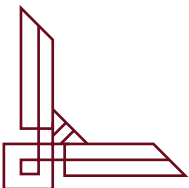

“Harlan Estate might be the single most profound red wine made not just in California, but in the world”
---Robert M. Parker, Jr.

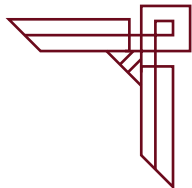

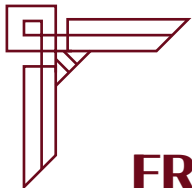

THE MAIDEN- THE SECOND WINE OF HARLAN

This represents wines created with the younger vines that have reached a level of maturity capable of producing wonderful wines, but not yet mature enough for the final Harlan Estate blend. Bill Harlan created the Maiden to give this exquisite wine it’s own voice. It is grown and vinified to the same standards as Harlan Estate.
